**PETITIONERS' MEMORANDUM OF LAW IN SUPPORT OF THEIR PETITION FOR  
AN ORDER CONFIRMING "FINAL AWARD"  
AND ENTRY OF JUDGMENT**

Petitioners Eagle Star Insurance Company Limited and Home and Overseas Insurance Company Limited (collectively "Eagle Star") respectfully submit this memorandum of law in support of their petition for (a) an order, pursuant to 9 U.S.C. § 9 and § 207, confirming the "Final Award" issued on November 9, 2012 (Exhibit 6)<sup>1</sup> by the panel in an arbitration proceeding between Eagle Star and Respondent, Arrowood Indemnity Company ("Arrowood") and (b) entry of a judgment, pursuant to 9 U.S.C. § 13, in accordance with the confirmed "Final Award."

**BACKGROUND**

On June 24, 2011, Eagle Star demanded arbitration against Arrowood under various reinsurance contracts effective 1/1/1967-12/31/1967 (Exhibit 4), namely, the Blanket First Excess of Loss Cover, Contingency First Excess of Loss Cover and Contingency Second Excess of Loss Cover (the "Reinsurance Contracts"). (Exhibits 1-3). On July 21, 2011 Arrowood

<sup>1</sup> "Exhibit" refers to the exhibits annexed to the Declaration of Lloyd A. Gura, submitted in support of Eagle Star's Petition for an Order Confirming the "Final Award" And Entry of Judgment.

demanded arbitration against Eagle Star under the same contracts. (Exhibit 5). The parties subsequently agreed to resolve their disputes in a single consolidated arbitration.

Thereafter, each of the parties submitted a motion for summary adjudication. On October 17, 2012, a hearing was held in this district, at which time the arbitration panel received documentary evidence and heard oral argument by counsel. On November 9, 2012, after having fully considered all of the parties' pre-hearing submissions and exhibits and all of the documentation and argument presented by the parties during the hearing, as well as the additional material provided by Arrowood on October 25, 2012, the panel issued a "Final Award." The "Final Award" denied Arrowood's motion and granted Eagle Star's motion. It finally disposed of the issues before the panel as follows:

**ARROWOOD INDEMNITY COMPANY'S MOTION FOR SUMMARY ADJUDICATION:**

Arrowood's September 14, 2012, Motion for Summary Adjudication is **DENIED**.

**EAGLE STAR INSURANCE COMPANY, LTD. AND HOME AND OVERSEAS INSURANCE COMPANY, LTD. MOTION FOR SUMMARY ADJUDICATION:**

Eagle Star and Home & Overseas' August 17, 2012, Motion for Summary Adjudication is **GRANTED AS FOLLOWS**:

The Panel Majority has determined that there is no "common cause" coverage under the 1967 Global Slip reinsurance contracts (the Contracts) for the General Motors, Anco Insulations and Graybar Electric asbestos bodily injury claims at issue in this dispute. In reaching this determination, the Panel finds:

- (a) The Contracts do not provide "common cause" coverage for bodily injury losses taking place outside the 1967 reinsurance period, and
- (b) The "first advised" restriction of the Contracts requires claims "arising from a common cause" to have first been advised during the 1967 reinsurance period, and since such advice was not given in 1967 there is no coverage for the GM, Anco and Graybar claims subject to this dispute.

(Exhibit 6).

On May 20, 2013, Eagle Star filed with this Court a Petition for an Order Confirming the “Final Award” And Entry of Judgment.

**THE ARBITRATION AWARD SHOULD BE CONFIRMED**

The Federal Arbitration Act (“FAA”), 9 U.S.C. § 1 et seq., provides that the federal district courts have jurisdiction to confirm the awards of arbitration panels. In particular, § 9 provides in pertinent part:

If the parties in their agreement have agreed that a judgment of the court shall be entered upon the award made pursuant to the arbitration, and shall specify the court, then at any time within one year after the award is made any party to the arbitration may apply to the court so specified for an order confirming the award, and thereupon the court must grant such an order unless the award is vacated, modified, or corrected as prescribed in sections 10 and 11 of this title. If no court is specified in the agreement of the parties, then such application may be made to the United States court in and for the district within which such award was made.

Chapter 2 of the FAA, the Convention on the Recognition and Enforcement of Foreign Arbitral Awards (the “New York Convention”), is also applicable here because the award for which confirmation is being sought was made in an arbitration involving foreign citizens.<sup>2</sup> Specifically, § 207 provides in pertinent part that:

Within three years after an arbitral award falling under the Convention is made, any party to the arbitration may apply to any court having jurisdiction under this chapter for an order confirming the award as against any other party to the arbitration. The court shall confirm the award unless it finds one of the grounds for refusal or deferral of recognition or enforcement of the award specified in the said Convention.

---

<sup>2</sup> Section 202 of the New York Convention (titled “Agreement or award falling under the Convention”) states that:

“An agreement or award arising out of [a legal] relationship which is entirely between citizens of the United States shall be deemed not to fall under the [New York] Convention unless that relationship involves property located abroad, envisages performance or enforcement abroad, or has some other reasonable relation with one or more foreign states. For the purpose of this section a corporation is a citizen of the United States if it is incorporated or has its principal place of business in the United States.”

Both petitioners are incorporated and have their principal place of business in the United Kingdom.

Reviewing courts are presumed to confirm arbitration awards and a court's review of the arbitration process is "severely limited." See Office of Supply, Gov't of Republic of Korea v. New York Navigation Co., 469 F.2d 377, 379 (2d Cir. 1972). The court "must" confirm the award unless the award is vacated, modified, or corrected as prescribed in Sections 10 and 11 of the FAA. See Ottley v. Schwartzberg, 819 F.2d 373, 375 (2d Cir. 1987). Section 207 likewise provides that the court "shall confirm the award unless it finds one of the grounds for refusal or deferral of recognition of the award as specified in the ... [New York] Convention." 9 U.S.C. § 207. In other words, "the confirmation of an arbitration award is a summary proceeding that merely makes what is already a final arbitration award a judgment of the court." Yusuf Ahmed Alghanim & Sons v. Toys "R" Us, 126 F.3d 15, 23 (2d Cir. 1997) (citations omitted).

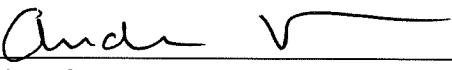

The "Final Award" meets the statutory requirements for confirmation, and has not been vacated, modified, or corrected under the FAA or under any grounds specified in the New York Convention. The "Final Award," therefore, should be confirmed under 9 U.S.C. § 9 and § 207. In addition, pursuant to 9 U.S.C. § 13, a judgment should be entered in accordance with the confirmed "Final Award" in the form annexed hereto as Appendix A.

### **CONCLUSION**

For the reason set forth above, the "Final Award" should be confirmed under 9 U.S.C. § 9 and § 207, and a judgment in the form annexed hereto as Appendix A should be entered by this Court pursuant to 9 U.S.C. § 13.

#### 1. SECTION 1

##### A. CASUALTY, FIDELITY, BURGLARY AND/OR BOILER AND MACHINERY

This subsection applies to the Group's excess liability on the following types of business (including such business under Multi-Peril Package Policies) classified by the Group as:

This subsection applies to the Group's excess liability on all business other than that covered under subsection A and includes but is not limited to the following types of business classified by the Group as

- (a) Fire and Allied Lines
- (b) Inland Marine
- (c) Glass
- (d) Automobile Physical Damage

- (f) Ocean Marine
- (g) Aviation

Subject to the general conditions set forth in this Article no claim to be paid for any loss under this subsection of this Article unless the Group has paid or advanced or agreed to pay or advance or becomes liable to pay to or on behalf of its Insured or Reinsured on account of loss by any one accident, disaster, casualty or occurrence an amount exceeding \$2,000,000 under this subsection and the sum recoverable under this Contract shall be 90% of the amount the excess of \$2,000,000 ultimate net loss under this subsection in respect of each and every loss sustained by the Group but such sum recoverable shall not exceed a further \$1,800,000 (being 90% of \$2,000,000) in respect of any one such accident, disaster, casualty or occurrence.

## SECTION 2

### A. CASUALTY, FIDELITY, BURGLARY AND/OR BOILER AND MACHINERY

This subsection applies to the Group's excess liability on the types of business covered in subsection A of Section 1 of this Article.

Subject to the general conditions set forth in this Article no claim to be paid for any loss under this subsection of this Article unless the Group has paid or advanced or agreed to pay or advance or becomes liable to pay to or on behalf of its Insured or Reinsured on account of loss by any one accident, disaster, casualty or occurrence an amount exceeding \$4,000,000 and the sum recoverable under this Contract shall be 100% of the amount the excess of \$4,000,000 ultimate net loss under this subsection in respect of each and every loss sustained by the Group but such sum recoverable shall not exceed a further \$8,000,000 in respect of any one such accident, disaster, casualty or occurrence.

B. PROPERTY

This subsection applies to the Group's excess liability on the types of business covered in subsection B of Section 1 of this Article. (However, it is understood that losses arising from Tornado and/or Cyclone and/or Hurricane and/or Windstorm and/or Hail and/or Flood are not excluded from the coverage afforded under this subsection.)

Subject to the general conditions set forth in this Article no claim to be paid for any loss under this subsection of this Article unless the Group has paid or advanced or agreed to pay or advance or becomes liable to pay to or on behalf of its Insured or Reinsured on account of loss by any one accident, disaster, casualty or occurrence an amount exceeding \$4,000,000 and the sum recoverable under this Contract shall be 90% of the amount the excess of \$4,000,000 ultimate net loss under this subsection in respect of each and every loss sustained by the Group but such sum recoverable shall not exceed a further \$7,200,000 (being 90% of \$8,000,000) in respect of any one such accident, disaster, casualty or occurrence.

In the event that a loss occurrence involves business or perils to which different limits and retentions apply the retention of the Group and the amount recoverable hereunder shall be calculated as follows:

- (a) The retention shall be the total of the individual retentions prorated in the proportion that the Group's ultimate net loss applicable to each retention bears to the Group's total ultimate net loss in respect of business and/or perils applicable to this Contract.
- (b) The amount recoverable shall be the amount of the loss excess of the retention calculated in (a) above subject to the following:
  - (i) such excess shall not exceed the difference between the retention and \$12,000,000
  - (ii) such excess shall be multiplied by a total percentage equal to 90% plus one tenth of the percentage obtained by dividing the Group's ultimate net loss in respect of business covered by subsection A of sections 1 and 2 of this Article by the Group's total ultimate net loss in respect of business and/or perils covered by this Contract.

Notwithstanding the foregoing, it is mutually agreed that at its sole option the Group may disregard the above provisions and consider only the ultimate net loss in respect of business covered by subsection A of Sections 1 and 2 of this Article for purposes of loss recovery hereunder.

2. GENERAL CONDITIONS

A. Notwithstanding the foregoing, with respect to Occupational and other diseases and where the Group's original policies provide for aggregate limits of liability this Contract shall cover (with respect to each hazard or project subject to an aggregate limit) excess of the Group's respective net retentions as set forth in subsections A of Sections 1 and 2 in the aggregate during any one original policy year but such sum recoverable hereunder shall not exceed the respective limits of liability set forth in subsections A of Sections 1 and 2 in the aggregate during any one original policy year.

In respect of such diseases, this Contract shall apply only to losses arising from cases where the employee's cessation from work first occurs during a policy year covered hereunder.

"Policy year" shall mean "each separate original policy period of not exceeding twelve months commencing at the inception, anniversary or renewal date

(a) after January 1, 1966

(b) as and from January 1, 1967".

It being understood that this Contract shall only be liable for any loss incurred on or after January 1, 1967 although losses incurred during the part of the twelve months' period prior to January 1, 1967 may be included to make up the deductible over which this Contract pays.

"Aggregate" shall mean "ultimate net loss incurred in the aggregate during any one policy year".

In the event of cancellation of this Contract, liability hereunder shall cease in respect of the unexpired portions of the original policies.

B. It is agreed that recoveries under Section 1 shall be disregarded for the purpose of calculating the ultimate net loss under Section 2 and such recoveries shall inure to the sole benefit of the Group.

C. It is warranted that with respect to all accidents, disasters, casualties or occurrences the deductibles as set forth in this Article shall be retained by the Group at its own risk and the Group shall be co-participant with Reinsurers for the remaining 10% of the excess loss covered hereunder with respect to subsections B of Sections 1 and 2.

D. With respect to Third Party Liability insurance of any kind this Contract shall protect the Group, within the limits hereof, in connection with any loss for which the Group may be legally liable to pay in excess of the limit of its original policy, such loss in excess of the limit having been incurred because of failure by it to settle within the policy limit or by reason of alleged or actual negligence, fraud or bad faith in rejecting an offer of settlement or in the preparation of the defence or in the trial of any action against its Insured or Reinsured or in the preparation or prosecution of an appeal consequent upon such action.

#### ARTICLE 6

##### DEFINITIONS

I. A. Subject to the exceptions listed below in paragraphs B, C, and D the terms "accident", "disaster", "casualty", or "occurrence" as used in this Contract shall be deemed and construed to mean any one, or more than one, accident, disaster or occurrence arising or resulting from one event upon which liability is predicated under any one, or more than one, of the policies covered by this Contract, and, as respects liability arising out of products manufactured, made, handled, distributed or sold by an assured, liability arising out of property damage or out of mal-practice, said term shall also be deemed and construed to mean any one, or more than one, accident, happening or occurrence which the available evidence shows to be the probable common cause or causes of more than one claim under a policy, or policies, or renewals thereof, irrespective of the time of the presentation of such claims to the assured or the Group, but this Contract does not cover any claim or claims arising from a common cause, which are not first advised during the period of this Contract.

B. With respect only to Property business wherever any one accident, disaster, casualty or occurrence involves any of the under mentioned perils (either separately or in conjunction with other perils) then as regards such undermentioned perils the terms "accident", "disaster", "casualty", or "occurrence" shall mean

(a) Tornado, Cyclone, Hurricane, Windstorm and/or Hail:

all loss or losses sustained by the Group from these perils occurring during any period of 72 consecutive hours arising out of or caused by the same atmospheric disturbance.

(b) Riot, Riot attending Strike, Civil Commotion, Vandalism and Malicious Mischief:

the sum total of all losses to the Group by reason of one or more occurrences within any one period of 72 consecutive hours commencing within the term of this Contract, within the area of one principal municipality or county and the municipalities or counties contiguous thereto.

Except that no one elected 72 hour period in any one area as defined above shall overlap any other elected 72 hour period in any one such area, the Group may elect the moment from which the aforesaid period of 72 hours shall be deemed to have commenced, the Reinsurers hereon being responsible only for their proportion of the loss to the Group in respect of the said elected period of 72 hours.

(c) Earthquake

All losses caused by Earthquake during each period of 72 consecutive hours commencing as hereinafter mentioned whether such Earthquakes were continuous or sporadic in their scope and irrespective of whether they were due to the same seismic conditions.

(d) It is agreed that the Group may elect the moment from which any of the 72 hour periods specified in subparagraphs (a) and (c) above shall be deemed to have commenced, but no two such periods in respect of the same accident, disaster, casualty or occurrence shall overlap.

C. With respect to business classified by the Group as Inland Marine and/or Ocean Marine, if two or more losses arise during the course of any one trip by land transportation conveyance or any one voyage by a water-borne vessel, the Group shall have the option of adding them together and treating them as one loss. However, this paragraph shall not apply to Hulls & Machinery, etc., Disbursements, Increased Values, Premiums or Protection and Indemnity Risks on any vessel or to Shipowners other interests insured for a period of time.

3. In respect of business classified by the Group as Fidelity the terms "accident", "disaster", "casualty" or "occurrence" shall mean

- (a) any loss or series of losses whether covered under one or more bonds resulting from acts or omissions of any one person or in which such person is concerned or implicated, or
- (b) any loss or losses, other than as specified in (a), and whether covered under one or more bonds, resulting from any one casualty or event.

It is further agreed that any definition of a single loss occurrence or contingency under any bond covered by this Contract which is in conflict with (a) or (b) above shall not apply.

2. The term "Property" as used herein is understood to mean business classified by the Group as Fire and Allied Lines, Inland Marine, Glass, Automobile Physical Damage, Ocean Marine and Aviation, and Multi-Peril (other than coverages under Multi-Peril policies which if written separately would be classified as Casualty, Fidelity, Burglary and/or Boiler and Machinery as described and covered under subsections A of Sections 1 and 2 of Article 5).

#### ARTICLE 7

##### ULTIMATE NET LOSS

1. The term "Ultimate Net Loss" shall be understood to mean the actual loss or losses sustained by the Group under its policies, such loss or losses to include expenses of litigation, if any, and all other loss expenses of the Group (excluding general office overhead and salaries of its officials and regular employees but including the pro rata share of salaries and expenses of the Group's outside employees according to the time occupied in adjusting such loss and also including expenses of the Group's officials incurred in connection with the loss but such inclusion shall not apply to salaries of the Group's officials or any normal overhead charges) but salvages and any other recoveries, including recoveries under all reinsurance (except as provided in Article 5) are first to be deducted from such loss to arrive at the amount of liability, if any, attaching hereunder. Nothing in this clause, however, shall be construed as meaning that losses are not recoverable hereunder until the ultimate net loss to the Group has been ascertained.

2. All salvages, recoveries and payments recovered or received subsequent to a loss settlement under this Contract shall be applied as if recovered or received prior to the said settlement and all necessary adjustments shall be made by the parties hereto.

The expense thus incurred by the Reinsurers shall be chargeable, subject to the approval of the court, against the Group as part of the expense of conservation or liquidation to the extent of a pro rata share of the benefit which may accrue to the Group solely as a result of the defence undertaken by the Reinsurers.

1. This Contract does not cover any loss or liability accruing to the Reassured, directly or indirectly and whether as Insurer or Reinsurer, from any Pool of Insurers or Reinsurers formed for the purpose of covering Atomic or Nuclear Energy risks.

2. Without in any way restricting the operation of paragraph (1) of this Clause, this Contract does not cover any loss or liability accruing to the Reassured, directly or indirectly and whether as Insurer or Reinsurer, from any insurance against Physical Damage (including business interruption or consequential loss arising out of such Physical Damage) to:

- I. Nuclear reactor power plants including all auxiliary property on the site, or
- II. Any other nuclear reactor installation, including laboratories handling radioactive materials in connection with reactor installations, and "critical facilities" as such, or
- III. Installations for fabricating complete fuel elements or for processing substantial quantities of "special nuclear material", and for reprocessing, salvaging, chemically separating, storing or disposing of "spent" nuclear fuel or waste materials, or
- IV. Installations other than those listed in paragraph (2) III above using substantial quantities of radioactive isotopes or other products of nuclear fission.

3. Without in any way restricting the operations of paragraphs (1) and (2) hereof, this Contract does not cover any loss or liability by radioactive contamination accruing to the Reassured, directly or indirectly, and whether as Insurer or Reinsurer, from any insurance on property which is on the same site as a nuclear reactor power plant or other nuclear installation and which normally would be insured therewith except that this paragraph (3) shall not operate

- (a) where the Reassured does not have knowledge of such nuclear reactor power plant or nuclear installation, or
- (b) where said insurance contains a provision excluding coverage for damage to property caused by or resulting from radioactive contamination, however caused. However on and after 1st January 1960 this sub-paragraph (b) shall only apply provided the said radioactive contamination exclusion provision has been approved by the Governmental Authority having jurisdiction thereof.

4. Without in any way restricting the operations of paragraphs (1), (2) and (3) hereof, this Contract does not cover any loss or liability by radioactive contamination accruing to the Reassured, directly or indirectly, and whether as Insurer or Reinsurer, when such radioactive contamination is a named hazard specifically insured against.

5. It is understood and agreed that this Clause shall not extend to risks using radioactive isotopes in any form where the nuclear exposure is not considered by the Reassured to be the primary hazard.

6. The term "special nuclear material" shall have the meaning given it in the Atomic Energy Act of 1954 or by any law amendatory thereof.

7. The Reassured to be sole judge of what constitutes:

- (a) substantial quantities, and
- (b) the extent of installation, plant or site.

*Note.*—Without in any way restricting the operation of paragraph (1) hereof, it is understood and agreed that

- (a) all policies issued by the Reassured on or before 31st December 1957 shall be free from the application of the other provisions of this Clause until expiry date or 31st December 1960 whichever first occurs whereupon all the provisions of this Clause shall apply.
- (b) with respect to any risk located in Canada policies issued by the Reassured on or before 31st December 1958 shall be free from the application of the other provisions of this Clause until expiry date or 31st December 1960 whichever first occurs whereupon all the provisions of this Clause shall apply.

DEFINITIONS

- A. Subject to the exception listed below in paragraph B the terms 'accident', 'disaster', 'casualty', or 'occurrence' as used in this Contract shall be deemed and construed to mean any one, or more than one, accident, disaster or occurrence arising or resulting from one event upon which liability is predicated under any one, or more than one, of the policies covered by this Contract, and, as respects liability arising out of products manufactured, made, handled, distributed or sold by an assured, liability arising out of property damage or out of malpractice, said term shall also be deemed and construed to mean any one, or more than one, accident, happening or occurrence which the available evidence shows to be the probable common cause or causes of more than one claim under a policy, or policies, or renewals thereof, irrespective of the time of the presentation of such claims to the assured or the Group, but this Contract does not cover any claim or claims arising from a common cause, which are not first advised during the period of this Contract.
- B. In respect of business classified by the Group as Fidelity the terms 'accident', 'disaster', 'casualty' or 'occurrence' shall mean

- (a) any loss or series of losses whether covered under one or more bonds resulting from acts or omissions of any one person or in which such person is concerned or implicated, or
- (b) any loss or losses, other than as specified in (a), and whether covered under one or more bonds, resulting from any one casualty or event.

It is further agreed that any definition of a single loss occurrence or contingency under any bond covered by this Contract which is in conflict with (a) or (b) above shall not apply.

#### ARTICLE 8

##### ULTIMATE NET LOSS

1. The term 'Ultimate Net Loss' shall be understood to mean the actual loss or losses sustained by the Group under its policies, such loss or losses to include expenses of litigation, if any, and all other loss expenses of the Group (excluding general office overhead and salaries of its officials and regular employees but including the pro rata share of salaries and expenses of the Group's outside employees according to the time occupied in adjusting such loss and also including expenses of the Group's officials incurred in connection with the loss but such inclusion shall not apply to salaries of the Group's officials or any normal overhead charges) but salvages and any other recoveries, including recoveries under all reinsurances (except as provided in Article 6) are first to be deducted from such loss to arrive at the amount of liability, if any, attaching hereunder. Nothing in this clause, however, shall be construed as meaning that losses are not recoverable hereunder until the ultimate net loss to the Group has been ascertained.

2. All salvages, recoveries and payments recovered or received subsequent to a loss settlement under this Contract shall be applied as if recovered or received prior to the said settlement and all necessary adjustments shall be made by the parties hereto.

3. Whenever the Group issues a lost instrument bond or a lost instrument letter of indemnity, for salvage purposes or in lieu of loss payment under its bond or policy, Reinsurers agree to accept liability under such bond or letter of indemnity in accordance with the terms of this Contract.

ARTICLE 9

NET RETAINED LINES

1. Except as otherwise provided in Article 8 this Contract applies only to that portion of any Insurance or Reinsurance which the Group retains net for its own account, and in calculating the amount of any loss hereunder and also in computing the amount or amounts in excess of which this Contract attaches, only loss or losses in respect of that portion of any Insurance or Reinsurance which the Group retains net for its own account shall be included.
2. The amount of Reinsurers' liability hereunder in respect of any loss or losses shall not be increased by reason of the inability of the Group to collect from any other Reinsurers whether specific or general, any amounts which may have become due from them whether such inability arises from the insolvency of such other Reinsurers or otherwise.

ARTICLE 10

REINSTATEMENT

In the event of the whole or any portion of the indemnity under this Contract being exhausted by loss, the amount so exhausted shall be automatically reinstated from the time of the occurrence of the loss (or from the time of discovery of the loss in respect of Fidelity and Burglary business) without payment of additional premium. Nevertheless the Reinsurers' liability in any one accident, disaster, casualty or occurrence shall never exceed \$15,000,000.

ARTICLE 11

2. The Reinsurers agree to abide by the loss settlements of the Group; such settlements to be considered as satisfactory proofs of loss, and amounts falling to the share of the Reinsurers shall be immediately payable to the Group by them upon reasonable evidence of the amount paid by the Group being presented to Reinsurers through Guy Carpenter & Company, Inc., by the Group. All papers in the possession of the Group in connection with the adjustment of said loss shall at all times within a reasonable period be open to the inspection of a properly authorised representative of the Reinsurers.

#### ARTICLE 13

1. As regards policies issued by the Group coming within the scope of this Contract, the Group agrees that when it shall file with the Insurance Department or set up on its books reserves for losses which it shall be required to set up by law it will forward to the Reinsurers a statement showing the proportion of such loss reserves which is applicable to them. The Reinsurers hereby agree that they will apply for and secure delivery to the Group a clean irrevocable Letter of Credit issued by First National City Bank of New York in an amount equal to Reinsurers' proportion of said loss reserves.

2. The Group undertakes to use and apply any amounts which it may draw upon such Credit for the following purposes only:-

- (a) To pay the Reinsurers' share or to reimburse the Group for the Reinsurers' share of any liability for loss reinsured by this reinsurance Contract, each withdrawal to be debited on the Group's records to the Loss Reserve Account Fund established for such liability, as hereinbefore provided.
- (b) To make refund of any sum which is in excess of the actual amount required to pay Reinsurers' share of any liability reinsured by this reinsurance Contract.

1. The Reinsurers have agreed to allow for the purpose of paying the Federal Excise Tax, one per cent of the premium payable hereon to the extent such premium is subject to Federal Excise Tax.

2. It is understood and agreed that in the event of any return of premium becoming due hereunder the Reinsurers will deduct one per cent from the amount of the return and the Group or its agent should take steps to recover the tax from the U.S. Government.

ARTICLE 15.

CURRENCY

1. Wherever the word 'Dollars' and the sign '\$' appear in this Contract they shall be construed to mean United States Dollars, excepting in those cases where the policies are issued by the Group in Canadian Dollars in which case they shall mean Canadian Dollars.

2. In the event of the Group being involved in a loss requiring payment in United States and Canadian Currency, the Group's retention and the amount recoverable hereunder shall be apportioned to the two currencies in the same proportion as the amount of ultimate net loss in each currency bears to the total amount of ultimate net loss paid by the Group.

3. For the purposes of this Contract, where the Group receives premiums or pays losses in currencies other than United States or Canadian Currency, such premiums and losses shall be converted into United States Dollars at the actual rates of exchange at which these premiums and losses are entered in the Group's books.

ARTICLE 16

ACCESS TO RECORDS

The Reinsurers or their duly accredited representatives shall have free access to the books and records of the Group at all reasonable times for the purpose of obtaining information concerning this Contract or the subject matter thereof.

ARTICLE 17

SERVICE OF SUIT CLAUSE (U.S.A.) (Applies only to those Reinsurers unlicensed in the U.S.A.)

1. It is agreed that in the event of the failure of Reinsurers hereon to pay any amount claimed to be due hereunder, Reinsurers hereon, at the request of the Group, will submit to the jurisdiction of any Court of competent jurisdiction within the United States of America and will comply with all requirements necessary to give such Court jurisdiction and all matters arising hereunder shall be determined in accordance with the law and practice of such Court. It is further agreed that service of process in such suit may be made upon Messrs. Mendes and Mount, 27 William Street, New York, N.Y. 10005 and/or their Nominees, and that in any suit instituted against any one of them upon this Contract Reinsurers will abide by the final decision of such Court or of any Appellate Court in the event of an appeal.

2. The above-named are authorised and directed to accept service of process on behalf of Reinsurers in any such suit and/or upon the request of the Group to give a written undertaking to the Group that they will enter a general appearance upon Reinsurers' behalf in the event such a suit shall be instituted. Further pursuant to any statute of any state, territory or district of the United States of America which makes provision therefor, Reinsurers hereon hereby designate the Superintendent, Commissioner or Director of Insurance or other officer specified for that purpose in the statute, or his successor or successors in office, as their true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on

behalf of the Group or any beneficiary hereunder arising out of this Contract, and hereby designate the above-named as the person to whom the said officer is authorised to mail such process or a true copy thereof.

ARTICLE 18

INSOLVENCY

1. In the event of the insolvency of the Group, this reinsurance shall be payable directly to the Group, or to its liquidator, receiver, conservator or statutory successor on the basis of the liability of the Group without diminution because of the insolvency of the Group or because the liquidator, receiver, conservator or statutory successor of the Group has failed to pay all or a portion of any claim. It is agreed, however, that the liquidator, receiver, conservator or statutory successor of the Group shall give written notice to the Reinsurers of the pendency of a claim against the Group indicating the policy or bond reinsured which claim would involve a possible liability on the part of the Reinsurers within a reasonable time after such claim is filed in the conservation or liquidation proceeding or in the receivership, and that during the pendency of such claim the Reinsurers may investigate such claim and interpose, at their own expense, in the proceeding where such claim is to be adjudicated any defence or defences that they may deem available to the Group or its liquidator, receiver, conservator or statutory successor. The expense thus incurred by the Reinsurers shall be chargeable, subject to the approval of the court, against the Group as part of the expense of conservation or liquidation to the extent of a pro rata share of the benefit which may accrue to the Group solely as a result of the defence undertaken by the Reinsurers.

2. Where two or more Reinsurers are involved in the same claim and a majority in interest elect to interpose defence to such claim, the expense shall be apportioned in accordance with the terms of the reinsurance agreement as though such expense had been incurred by the Group.

3. The reinsurance shall be payable by the Reinsurers to the Group or to its liquidator, receiver, conservator or statutory successor, except as provided by Section 315 of the New York Insurance Law or except (a) where the contract specifically provides another payee of such reinsurance in the event of the insolvency of the Group, and (b) where the Reinsurers with the consent of the direct insured or insureds have assumed such policy obligations of the Group as direct obligations of the Reinsurers to the payees under such policies and in substitution for the obligations of the Group to such payees.

ARTICLE 19

ARBITRATION

If any dispute shall arise between the Group and the Reinsurers with reference to the interpretation of this Contract or their rights with respect to any transaction involved, the dispute shall be referred to three arbitrators, one to be chosen by each party and the third by the two so chosen. If either party refuses or neglects to appoint an arbitrator within thirty (30) days after the receipt of written notice from the other party requesting it to do so, the requesting party may nominate two arbitrators, who shall choose the third. Each party shall submit its case to the arbitrators within thirty (30) days of the appointment of the arbitrators. The arbitrators shall consider this Contract an honorable engagement rather than merely a legal obligation; they are relieved of all judicial formalities and may abstain from following the strict rules of law. The decision of a majority of the arbitrators shall be final and binding on both the Group and the Reinsurers. The expense of the arbitrators and of the arbitration shall be equally divided between the Group and the Reinsurers. Any such arbitration shall take place in New York, New York, unless some other location is mutually agreed upon by the Group and the Reinsurers.

## ARTICLE 2

### EXCLUSIONS

Notwithstanding anything to the contrary contained herein, it is specially agreed that this Contract does not apply to but specifically excludes:-

1. Policies covering Workmen's Compensation, General Liability and Automobile Liability business under which the Group receives complete reimbursement for losses and expenses thereunder.
2. Liability assumed by the Group as a member of any Pool, Association, Exchange or similar body.
3. Financial Guarantee and Insolvency. However, the liability of the Group under any bond covering losses due to negligence of any person or failure of any person to faithfully perform his duty or failure to account for and pay over money or other property in his custody, shall not be considered Financial Guarantee or Insolvency even though the Group is required to pay such loss because of the insolvency of such person or because of the insolvency of a financial institution in which he has deposited money.
4. Liability in respect of excess of loss reinsurance. This exclusion does not apply to any such reinsurance effected between any of the Companies reinsured hereunder or assumed from the Hawaiian Insurance and Guaranty Company, Ltd. Moreover, liability accepted by way of pro rata reinsurance in respect of excess of loss insurance shall not be excluded herefrom and with respect to Casualty business reinsurances written on an excess of loss basis on specific risks shall not be considered excess of loss reinsurance for the purposes of this Contract.
5. Nuclear Incident ~
  - (a) Liability - Reinsurance
  - (b) Boiler and Machinery - Reinsurance

as per riders attached.

6. Loss or damage accruing to the Group, directly or indirectly, whether as an insurer or reinsurer, from any pool of insurers or reinsurers formed for the purpose of covering Atomic or Nuclear Energy risks.
7. All business of the Excess and Casualty Reinsurance Association, whether assumed directly or indirectly by the Group.

#### ARTICLE 3

#### SELF-INSURED OBLIGATIONS

1. As respects all business the subject matter hereof, this Contract shall cover all obligations of the Group assumed by it as a self-insurer (or self-insured obligations in excess of any valid and collectible insurance available to the Group) to the same extent as if all types of insurance covered by this Contract were afforded under the broadest form of agreements issued by the Group.

2. An insurance or reinsurance wherein the Group hereby reinsured and/or its affiliated and/or subsidiary companies are named as the Insured or Reinsured party, either alone or jointly with some other party, shall be deemed to be an insurance or reinsurance coming within the scope of this Contract, notwithstanding that no legal liability may arise in respect thereof by reason of the fact that the Group hereby reinsured and/or its affiliated and/or subsidiary companies are named as the Insured or Reinsured party or one of the Insured or Reinsured parties.

#### ARTICLE 4

#### TERM AND CANCELLATION

1. This Contract shall take effect at March 17th 1967 and shall remain in force for an indefinite period but may be terminated at any Midnight, December 31st by either party giving to the other six months' prior notice.

2. If any law or regulation of the Federal or State or Local Government of any jurisdiction in which the Group is doing business shall render illegal the arrangements made in this Contract, the Contract can be terminated immediately, insofar as it applies to such jurisdiction, by the Group giving notice to the Reinsurers to such effect.

3. With respect to all business covered hereunder except Fidelity and Burglary this Contract shall apply to accidents, casualties, disasters and occurrences taking place during the term this Contract is in force.

5. If this Contract shall terminate while a loss covered hereunder is in progress, it is agreed that, subject to the other conditions of this Contract, the Reinsurers shall indemnify the Group as if the entire loss had occurred during the term of this Contract, provided the loss covered hereunder started before the time of termination.

#### ARTICLE 5

##### INSURING CLAUSE

Subject to the general conditions set forth in this Contract no claim to be paid for any loss under this Contract unless the Group has paid or advanced or agreed to pay or advance or becomes liable to pay to or on behalf of its Insured or Reinsured on account of loss by any one accident, disaster, casualty or occurrence an amount exceeding \$45,000,000, and the sum recoverable under this Contract shall be 100% of the amount the excess of \$45,000,000 ultimate net loss in respect of each and every loss sustained by the Group, but such sum recoverable shall not exceed a further \$5,000,000 in respect of any one such accident, disaster, casualty or occurrence.

With the exception of Boiler and Machinery business it is agreed that no liability shall attach under this Contract unless two or more policies or classes are involved in a loss resulting from any one accident, disaster, casualty or occurrence.

It is agreed that in the event of a loss resulting from an accident, disaster, casualty or occurrence involving business covered hereunder and other business covered under the Group's underlying blanket First, Second and Third Excess of Loss Covers that portion of the loss attributable to such other business may be included up to a maximum of \$30,000,000 in determining the ultimate net loss under this Contract.

ARTICLE 6

GENERAL CONDITIONS

- A. It is agreed that recoveries under the Blanket First, Second and Third Excess of Loss Covers and under the Contingency First Excess of Loss Covers shall be disregarded for the purpose of calculating the ultimate net loss under this Contract and such recoveries shall inure to the sole benefit of the Group.
- B. With respect to Third Party Liability insurance of any kind this Contract shall protect the Group, within the limits hereof, in connection with any loss for which the Group may be legally liable to pay in excess of the limit of its original policy, such loss in excess of the limit having been incurred because of failure by it to settle within the policy limit or by reason of alleged or actual negligence, fraud or bad faith in rejecting an offer of settlement or in the preparation of the defence or in the trial of any action against its Insured or Reinsured or in the preparation or prosecution of an appeal consequent upon such action.

ARTICLE 7

DEFINITIONS

- A. Subject to the exception listed below in paragraph B the terms 'accident', 'disaster', 'casualty', or 'occurrence' as used in this Contract shall be deemed and construed to mean any one, or more than one, accident, disaster or occurrence arising or resulting from one event upon which liability is predicated under any one, or more than one, of the policies covered by this Contract, and, as respects liability arising out of products manufactured, made, handled, distributed or sold by an assured, liability arising out of property damage or out of malpractice, said term shall also be deemed and construed to mean any one, or more than one, accident, happening or occurrence which the available evidence shows to be the probable common cause or causes of more than one claim under a policy, or policies, or renewals thereof, irrespective of the time of the presentation of such claims to the assured or the Group, but this Contract does not cover any claim or claims arising from a common cause, which are not first advised during the period of this Contract.
- B. In respect of business classified by the Group as Fidelity the terms 'accident', 'disaster', 'casualty' or 'occurrence' shall mean

- (a) any loss or series of losses whether covered under one or more bonds resulting from acts or omissions of any one person or in which such person is concerned or implicated, or
- (b) any loss or losses, other than as specified in (a), and whether covered under one or more bonds, resulting from any one casualty or event.

#### ARTICLE 8

##### ULTIMATE NET LOSS

1. The term 'Ultimate Net Loss' shall be understood to mean the actual loss or losses sustained by the Group under its policies, such loss or losses to include expenses of litigation, if any, and all other loss expenses of the Group (excluding general office overhead and salaries of its officials and regular employees but including the pro rata share of salaries and expenses of the Group's outside employees according to the time occupied in adjusting such loss and also including expenses of the Group's officials incurred in connection with the loss but such inclusion shall not apply to salaries of the Group's officials or any normal overhead charges) but salvages and any other recoveries, including recoveries under all reinsurances (except as provided in Article 6) are first to be deducted from such loss to arrive at the amount of liability, if any, attaching hereunder. Nothing in this clause, however, shall be construed as meaning that losses are not recoverable hereunder until the ultimate net loss to the Group has been ascertained.
2. All salvages, recoveries and payments recovered or received subsequent to a loss settlement under this Contract shall be applied as if recovered or received prior to the said settlement and all necessary adjustments shall be made by the parties hereto;
3. Whenever the Group issues a lost instrument bond or a lost instrument letter of indemnity, for salvage purposes or in lieu of loss payment under its bond or policy, Reinsurers agree to accept liability under such bond or letter of indemnity in accordance with the terms of this Contract.

ARTICLE 9

1. Except as otherwise provided in Article 8 this Contract applies only to that portion of any Insurance or Reinsurance which the Group retains net for its own account, and in calculating the amount of any loss hereunder and also in computing the amount or amounts in excess of which this Contract attaches, only loss or losses in respect of that portion of any Insurance or Reinsurance which the Group retains net for its own account shall be included.
2. The amount of Reinsurers' liability hereunder in respect of any loss or losses shall not be increased by reason of the inability of the Group to collect from any other Reinsurers whether specific or general, any amounts which may have become due from them whether such inability arises from the insolvency of such other Reinsurers or otherwise.

ARTICLE 10

3. ARTICLE 18

INSOLVENCY

1. In the event of the insolvency of the Group, this reinsurance shall be payable directly to the Group, or to its liquidator, receiver, conservator or statutory successor on the basis of the liability of the Group without diminution because of the insolvency of the Group or because the liquidator, receiver, conservator or statutory successor of the Group has failed to pay all or a portion of any claim. It is agreed, however, that the liquidator, receiver, conservator or statutory successor of the Group shall give written notice to the Reinsurers of the pendency of a claim against the Group indicating the policy or bond reinsured which claim would involve a possible liability on the part of the Reinsurers within a reasonable time after such claim is filed in the conservation or liquidation proceeding or in the receivership, and that during the pendency of such claim the Reinsurers may investigate such claim and interpose, at their own expense, in the proceeding where such claim is to be adjudicated any defence or defences that they may deem available to the Group or its liquidator, receiver, conservator or statutory successor. The expense thus incurred by the Reinsurers shall be chargeable, subject to the approval of the court, against the Group as part of the expense of conservation or liquidation to the extent of a pro rata share of the benefit which may accrue to the Group solely as a result of the defence undertaken by the Reinsurers.

2. Where two or more Reinsurers are involved in the same claim and a majority in interest elect to interpose defence to such claim, the expense shall be apportioned in accordance with the terms of the reinsurance agreement as though such expense had been incurred by the Group.

3. The reinsurance shall be payable by the Reinsurers to the Group or to its liquidator, receiver, conservator or statutory successor, except as provided by Section 315 of the New York Insurance Law or except (a) where the contract specifically provides another payee of such reinsurance in the event of the insolvency of the Group, and (b) where the Reinsurers with the consent of the direct insured or insureds have assumed such policy obligations of the Group as direct obligations of the Reinsurers to the payees under such policies and in substitution for the obligations of the Group to such payees.

Each party shall submit its case to the arbitrators within thirty (30) days of the appointment of the arbitrators. The arbitrators shall consider this Contract an honorable engagement rather than merely a legal obligation; they are relieved of all judicial formalities and may abstain from following the strict rules of law. The decision of a majority of the arbitrators shall be final and binding on both the Group and the Reinsurers. The expense of the arbitrators and of the arbitration shall be equally divided between the Group and the Reinsurers.   - (i) Garage and Automobile Policies issued by the Reinsured on New York risks, or

(5) Without in any way restricting the operation of paragraph (3) of this Clause, it is understood and agreed that paragraphs (2) and (3) above are not applicable to original liability policies of the Reinsured in Canada and that with respect to such policies this Clause shall be deemed to include the Nuclear Energy Liability Exclusion Provisions actually used on such policies by the Reinsured; provided that if the Reinsured shall fail to include such Exclusion Provisions in any such policy where it is legally permitted to do so, such policy shall be deemed to include such Exclusion Provisions.

Re: Response to Reinsurers' Arbitration Demand Dated June 24, 2011 and Demands for Arbitration

Dear Mr. Gura:

We represent Arrowood Indemnity Company ("Arrowood") in connection with reinsurers' arbitration demand of June 24, 2011 (the "Demand"), which purports to initiate a consolidated arbitration brought by different reinsurers under separate reinsurance agreements with respect to three distinct reinsurance claims and also purportedly seeks declaratory relief for any future claims ceded under the "common cause or causes" provision contained in the separate reinsurance agreements, namely, the Blanket First Excess of Loss Cover, effective January 1, 1967, the Contingency First Excess of Loss Cover, effective January 1, 1967, and the Contingency Second Excess of Loss Cover, effective March 17, 1967.

The Demand is improper because it (1) seeks to arbitrate claims under separate reinsurance agreements; (2) seeks to arbitrate claims arising from separate insurance transactions in the same arbitration; and (3) purports to seek an advisory opinion on future hypothetical disputes under separate reinsurance agreements. Consolidation is improper without mutual consent of the parties, which is absent here. Arrowood also rejects any attempt by the reinsurers to arbitrate hypothetical claims. Accordingly, Arrowood reserves all of its rights to seek relief from the Panel.

## FINAL AWARD

The Panel having held a Hearing in this matter on October 17<sup>th</sup>, 2012, at the offices of Mound Cotton Wollan & Greengrass in New York City, and having deliberated following that Hearing by e-mail exchanges and then by telephone conference on November 8, 2012, and having fully considered all of the Parties' pre-hearing submissions and exhibits and all of the documentation and argument presented by the Parties during the Hearing, and the additional material provided on October 25<sup>th</sup> by Arrowood at the request of the Panel, ORDERS as follows:

### ARROWOOD INDEMNITY COMPANY'S MOTION FOR SUMMARY ADJUDICATION:

Arrowood's September 14, 2012, Motion for Summary Adjudication is **DENIED**.

### EAGLE STAR INSURANCE COMPANY, LTD. AND HOME AND OVERSEAS INSURANCE COMPANY, LTD. MOTION FOR SUMMARY ADJUDICATION:

Eagle Star and Home & Overseas' August 17, 2012, Motion for Summary Adjudication is **GRANTED AS FOLLOWS**:

The Panel Majority has determined that there is no "common cause" coverage under the 1967 Global Slip reinsurance contracts (the Contracts) for the General Motors, Anco Insulations and Graybar Electric asbestos bodily injury claims at issue in this dispute. In reaching this determination, the Panel finds:

- (a) The Contracts do not provide "common cause" coverage for bodily injury losses taking place outside the 1967 reinsurance period, and
- (b) The "first advised" restriction of the Contracts requires claims "arising from a common cause" to have first been advised during the 1967 reinsurance period, and since such advice was not given in 1967 there is no coverage for the GM, Anco and Graybar claims subject to this dispute.

So ORDERED this 9th day of November, 2012:

  
Lawrence O. Monin, Umpire  
(On Behalf of the Panel)

  
Daniel E. Schmidt, IV, Arbitrator

Arbitrator Hall dissents from the AWARD Granting Eagle Star Insurance Company, Ltd. And Home and Overseas Insurance Company, Ltd.'s Motion for Summary Adjudication.
